BOSTON
Professional Guides

Registration For Free Pro_CELTA English Teacher Training by Canadian and Uk Based Institute.

Calling For Applications For Currently Employed

English Teachers For Sultanate Of Oman Proactive Deployment Campaign - 2024 to 2025.

More than 100 000 qualified English Teachers are to be required to all areas of Sultanate Of Oman, within the second and third quarters of 2024 and 2025. As such the aim of this program is to keep the potential candidates ready to relocate to Oman , Qatar , KSA on selection and Asia Pacific partner institutes.

However this program assures only a free training to keep the candidates updated in case of potential emergency on boarding expected from January 2024 onward . Moreover the candidates can proceed up to higher studies based on conditions that apply.

Who can apply?

All genuine English teachers currently working in Government and private sector institutes and schools of Sri Lanka.

And

All English Medium, trained Teachers of Other disciplines, who like to teach English.

Qualifications :

English Trained Certificate or Recognized Diplomas based on which the candidates have been employed currently, is adequate. (Provided that they all undergo (without physical attendance but via online webinars and assessment based on assignments of project report) the free Pro_CELTA course sponsored by overseas principals through reputed institutes of Canada and UK , the procedure of which will be informed to the registered candidates via the same email candidates registration is made.

The Pro_CELTA exam will be completely online .

(Bachelor's Degree and Master's degree are not a prerequisite but may be advantageous for the individuals performance.)

Conditions –

1.0 Pro_CELTA – A compulsory program.

All teachers will have to join a sponsored Pro _CELTA Training program conducted by a UK affiliated college organized by the overseas Sponsor/ Principal in order to ensure that the teachers are fully equipped with the knowledge to handle the advanced multi-cultural teaching environment and diverse society of students.

1.0 Completion of course.

If candidates who join the course are required to relocate in the first week itself completion of the course is not required. However they may continue to pursue the program on arrival. The course is totally online and a compulsory procedure to make sure the candidates are thorough with English teaching / training techniques since teachers may be recruited from different disciplines. Evaluation may be based on a project report which may also be completed on arrival. However the fluency in all 4 skills will be considered important.

3.0 Course Free (Sponsored by the Overseas Principal)

Candidates accounts will be settled (To the Value of the course Pro_CELTA - around 250 USD equivalent value) by the Sponsors through the course provider.

This is a totally sponsored free program and any administrative fees if involved will be requested from selected candidates via the same official email provided in this document.

Disclaimer

(Candidates shall not pay any other fee in any form to any other persons or parties or organizations ,except to the Bank Account of selected institute, the details of which the shortlisted applicants will be informed .)
